

# SAINT ANGELA SCHOOL

## ALTERNATIVE LEARNING PLAN ASSIGNMENTS

Week of May 18, 2020

Teacher \_\_\_\_\_ Mrs. Watson \_\_\_\_\_ Grade \_\_\_\_\_ Kindergarten \_\_\_\_\_

*The Alternative Learning Plan Assignments listed below will facilitate continuous uninterrupted learning with assignments based on the academic standards promulgated by the State of Illinois and the Archdiocese of Chicago. Scholars are expected to complete the assignments as described, and submit them when they return to school. That date has yet to be determined. Each Sunday around 5:00 PM, beginning on March 15 until school resumes, your scholar's Alternative Learning Plan Assignments will be posted on our school website. Parents, thank you in advance for your kind and generous assistance in extending learning into the home during this very difficult and trying time. Be safe and God bless!*

Hello Friends! It was great to see you last week.

The next thing we are going to work on is our **ET and ED word families**. All the words end in the letters ET or ED. You need to find the word that matches the picture. You may write the words in the boxes, or you may practice your cutting to cut and paste the word from the bottom of the worksheet. **Have FUN** working on our ET and ED word families! **WORKSHEET ON PAGE 2 and 3 OF THIS DOCUMENT.**

**I put a packet of all your worksheets in the cafeteria on a pink piece of construction paper that says Kindergarten Title 1. Or page down below to get this week's assignment.**

Math: **WORKSHEET ON PAGE 4 OF THIS DOCUMENT.**

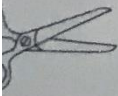

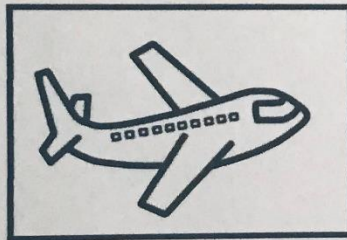

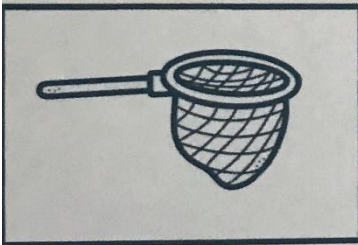

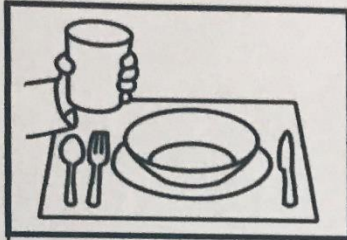

We week we are going to play an addition Bingo game. You will need some dice and something to cover your bingo spaces. You can use scraps of paper to cover them....maybe use the leftover paper from your reading word families to cover your Bingo spaces.

- Keep going. **Page down There are 3 more pages!!**

Bless me, O Lord with good health, and heal all the troubles of my mind, spirit, and body.

Bless me, O Lord with good health, and heal all the troubles of my mind, spirit, and body.

Put your playing piece anywhere on the outside path. Move by rolling a die. When you land on an addition problem, find and dot its sum on the center bingo board. When you get five in a row, the game is over.

*Directions!*
