

**Title I Lesson Plans: Mrs. Shanahan    rshanahan@saintangela.org**  
**Grade 1**  
**Week of May 18-22, 2020**

Dear Parents, Caregivers, and Scholars,

Hope you are all well as we are winding down the school year. Please let me know if you are having any difficulties. I hope to hear from everyone by Sunday, the 24th with all your 4th quarter assignments!

Again, first grade reading and math assignments and videos are posted on our Weebly site. Hard copies of the assignments for this week and next will be in the first grade bin in the lunchroom.

Have a great week!

**Reading**

**1. *Comprehension: Compare and Contrast***

On the video, I will read the short passage about Apples and Oranges. We will learn how to determine what is the same about apples and oranges (compare) and what is different (contrast).

**2. *Phonemic Awareness: Rhyming Words***

On the video I will review word families.  
\*\*\*Assignment: Rhyming Clues p.21

**Math**

**1. *Mentally Finding 10 More and 10 Less***

On the video, I will review figuring out 10 more and 10 less than a particular number using place value (the tens place) and checking for accuracy with a number grid.

**2. *Using a Calendar***

We will go over using a table on the video.  
\*\*\*Assignment: Using a calendar p.211
