

Title I Lessons: Mrs. Shanahan
Grade 3
Week of May 18th-22nd, 2020

rshanahan@saintangela.org

Hello Everyone,

Please continue to send your assignments to me each week. We only have one more week of Title I assignments after this! Unbelievable!!! You will be 4th graders next year so you need to get ready!!

All assignments are posted on our Weebly site and if you have the packet from school, the hard copies are in there labeled May 18th.

Please return the highlighted assignments to me by Sunday, May 24th.

Reading

1. *Comprehension: Summarizing Fiction and Nonfiction Passages*

I will review the skill of summarizing on the video clip. There is a slight difference when summarizing fiction than when summarizing nonfiction. I am including copies of the passages so you can follow along with the video.

2. *Proofreading: End Punctuation*

We will review ending punctuation briefly on the video and go over p.12.
***Your assignment is to complete p.13.

Math

1. *Fractions: Equivalent Fractions and Comparing Fractions*

We will review equivalent fractions and compare fractions using a number line.

***Assignment: Common Core activity pp. 1-2 and pp. 3-4.

2. *Computation: Basic Facts*

Log in to Xtramath at least 2 times this week.
Practice flash cards if you have them! See how many you can get right in 3 minutes!

Name _____

put in punctuation

PROOFREADING FOR END PUNCTUATION

When proofreading, always check to make sure the punctuation at the end of a sentence is correct.

If end punctuation should be changed, or added, put in the right punctuation and draw a circle around it.

The bird flew out of its nest?

(should be a period)

Do you want to play football

(add a question mark)

Oh, that was hot.

(should be an exclamation mark)

Use the proofreading mark to show which end punctuation should be changed or added.

1. What time is it.

2. I like to walk in the rain

3. The farmer has a lot of chickens on his farm?

4. Wow, that was a great touchdown

5. When are we going to the movie?

6. Look out, the tree is falling

7. Do you want vanilla or chocolate ice cream.

PROOFREADING FOR END PUNCTUATION

Use the proofreading mark to show end punctuation mistakes in the stories.

The team was ready to start If they win, they will be the state
champions? Their coach was giving them a pep talk "Are we going to win."
he asked. The team shouted, "Yes " (There are 5 mistakes.)

Have you ever been to a museum. We went
to one last week We saw dinosaurs? They were
so big! Their heads moved, and their mouths opened
Would you like to meet a real dinosaur (There are
5 mistakes.)

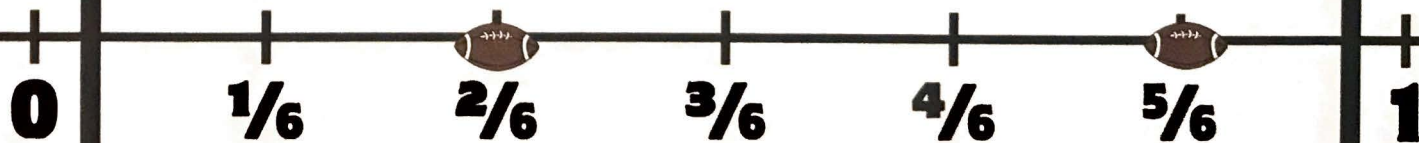

Write the paragraph above with the correct punctuation.

Explain using words or models how you can find the fraction $\frac{1}{5}$ on a number line...

How far is a point at $\frac{2}{6}$ from a point at $\frac{5}{6}$?

Explain

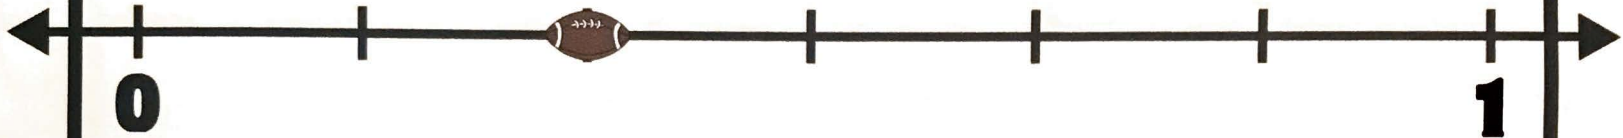

Write the fraction that the point on the number line represents.

Write the fraction that the point on the number line represents.

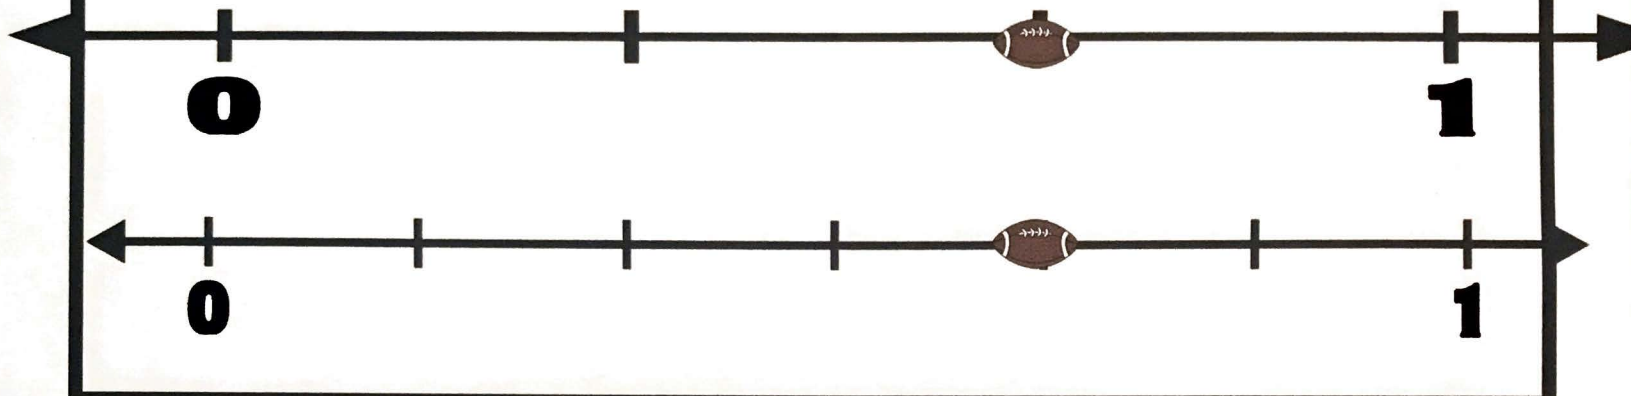

Write the fraction that the point on the number line represents.

Write the fraction that the point on the number line represents.

Write the equivalent fractions.

Write the equivalent fractions.
